

Sponsored by:
United Church of God, *an International Association*

United Youth Corps will be sponsoring a project in St. Lucia from July 30, 2015 until August 3, 2017. This project will provide a total of two individuals to help staff a summer Youth camp.

We are seeking two volunteers to assist with classes and all the various activities throughout the five days of camp. They will interact extensively with the campers and should be able to earn the respect of the campers, but at the same time, develop a good rapport with them.

All team members must set a Godly example and be familiar with Biblical principles.

COST:

Room, board and ground transportation will be provided by Good Works. Participants are expected to provide at least half their airfare costs and any extracurricular activities (costs will vary depending on location of origin).

Please apply at <http://www.ucgyouthcorps.org/>.
